

COOKIE POLICY

This Cookie Policy applies to residents of the UK and EEA who have registered for a trading account with Pepperstone.

If you are a resident outside of the UK and EEA please refer to the Pepperstone Group Limited AU Privacy Policy on our Australian website.

1. WHAT ARE COOKIES?

A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you agree, the file is added and the cookie helps analyse web traffic or lets businesses know when you visit a particular site. Cookies allow web applications to respond to you as an individual.

Cookies help us provide you with a better website by enabling us to monitor the pages that you find useful and tailor our website to your needs, likes and dislikes by gathering and remembering information about your preferences.

The cookies that we use cannot execute code or deliver any viruses. The cookies that we use are only ever used for the essential functioning of our website, for analytical purposes in order to provide you a great service, and for marketing, so that you are served content that is in line with your interests, based on your activity on our site.

Pepperstone fully respects your privacy and provides you with the relevant information and tools in order to manage your cookie preferences.

2. PEPPERSTONE POLICY

Pepperstone uses a number of cookies in order to provide users with our products and services via our website and platform.

We categorise our cookies into the following groups:

- **Essential:** cookies which are essential to the functioning of the website and our products and services. This includes enabling you to complete trading account applications, remembering your login details, initiating web chat with our support team or other website functionality. If you disable these cookies you will not be able to fully access our platform.

- **Analytical:** cookies that allow us to improve our offering and website, enabling us to tailor the site to your personal preferences.
- **Marketing:** cookies that allow us to provide information to visitors on third party websites and measure the effectiveness of our marketing initiatives. We adhere to industry accepted best practice in respect of our use of marketing cookies. For more information, please refer to the Internet Advertising Bureau's website here: <https://www.iabuk.com/>.
